

THE HEALTH INITIATIVE AND THE CENTRE FOR CLINICAL RESEARCH IN HEALTH (CCRH) PRESENT:

THE LIVED EXPERIENCE CONVERSATION SERIES

Family Life and Living with an Eating Disorder: One Caregiver's Journey from Awareness to Action

GUEST SPEAKER:

Wendy Preskow

Founder and President, National Initiative for Eating Disorders (NIED)

IN CONVERSATION WITH:

Linda Booij, PhD

Associate Professor and Concordia University Research Chair in Eating Disorders
Department of Psychology, Concordia University
Co-Director, Centre for Clinical Research in Health

Thursday, January 30, 2020 at 4 p.m.

Concordia University, Loyola Chapel, 7141 Sherbrooke St. W.

Open to the public – all are welcome

The Centre for Clinical Research in Health (CCRH) is pleased to host an innovative new conversation series that will feature a guest speaker with lived experience of mental illness. Guided by a CCRH core member, an open conversation about mental health, followed by a question and answer period, will take place.
